Ok I'm really bored, and instead of touring the world of znus. How about i post these helpfull links. just that I'm too lazy to read this and see if it's Kidai. So you just let me know. I found it on aish, and we are thankfully mentioned a few times, on the comments to their articles on addiction.

Ain adam ?Nifrad? mechaveiro, elah mitoch devar halacha

remember me for this: We do so much wrong with our eyes, why don't we at least limit the spiritual destruction by being makpid to READ every word of birkas hamazon from a bentcher... R tzaddok hakohein repeatedly dwells on how all lusts stem from the pegam hanachash, tayvas haachila and tayvas nashim. By utilizing our meals as an **opportunity** to get closer to hashem, we can be metakein our lust for znus with derech agav. (ayain kuntrus ha'achila besof sefer beraishis, pri tdedek, sham ois daled) bentch from a betcher

Bye everyone i am having someone lock me out of my username....my last excuse to use the internet.
