

World Cup anyone???

Posted by installed - 20 Jun 2010 17:55

Can't believe that Slovenia led 2-0 before the United States was able to make a comeback ???.
But great game against the Brits. I can only imagine their disappointment :o.

BS"D

What are you talking about "all over," Holland is still in, and how!!!!!!!

May we all see succes against Uruguay.

Levi613, you are so right. i was glued to the game between Germany and Spain. Spain really deserved to win. I'll be going to the cinema for the finals (in 3d). Hope Holland wins but I don't see it happening.

Sorry!

That's all folks.

Eat some paella and get out the pinata.

The Spanish won and that's the end.....

.....of the World Cup and this thread - I think
