A cop pulled over a car and finds a couple in the front seat – Morris and Mindy Epstein.

“Where’s your seat belt sir?” asked the cop.

“Oh, I just took it off now when you were walking up to the car,” responded Morris.

"No you didn't!" exclaimed his wife, "You never wear your seat belt! "

A little taken aback, the cop asked to see his license.

"Aw darn!" cried Morris, "I must have left it home!"

"Yeah right!" screamed Mindy, "You know it expired 3 months ago! "

At a loss for words, the cop asked Mindy, "Are you always so tough on him?!"

"No" responded Mindy, "only when he's had too much to drink!"

A Chinese / Jewish Restaurant Joke

A Jewish man and a Chinese man were conversing. The Jewish man commented upon what a wise people the Chinese are.

"Yes," replied the Chinese man, "Our culture is over 4,000 years old. But, you Jews are a very wise people, too."

The Jewish man replied, "Yes, our culture is over 5,000 years old."

The Chinese man was incredulous, "That's impossible, he replied. Where did your people eat for a thousand years?"

A lady was picking through the frozen turkeys at the grocery store but she couldn't find one big enough for her family.

She asked a stock boy, ' Do these turkeys get any bigger?'

The stock boy replied, 'No ma'am, they're dead.'

Signs that you are Webbed Out...

#1 Your opening line is, "So what's your home page address?"

#2 Your best friend is someone you have never met.

#3 You are overcome with disbelief, anger and finally depressed when you encounter a Web page with no links.

#4 You are driving on a dark and rainy night when you hydroplane on puddle, sending your car careening toward the flimsy guard rail that separates you from the precipice of a rocky cliff and death. You look for the "Back" button.

#5 Your dog has his own Web page. So does your hamster.

#6 When you read a magazine, you have an irresistible urge to click on the underlined passages.

Personally, I can relate to #4 and #6
