Mechitza Man

A holy goofball by that wears a badge that says "Mechitza Man" at simchas. Or, a big '**M**' on the chest and a long red Kapoteh.

His job is to ascertain no women or girls peek over the mechitza curtains.

See [Here](#).

(When/if he ever finds a kosher mechitza, he stamps it with a 'hechsher' seal, which says 'MT' (mechitza tova).

Exactly. Actually wooden mechitzas on wheels, that have windows with curtains. I guess those women held that 'omeid meruba al haporutz' is ok. But I go lechumra, that pritzus is ossur bemashehu.
