Why does Zemiroshabbos not know how to keep quiet during the Megila reading?

i think we need the Rebbe Shlita ???? to give a shiur in hilchos ~~woodford~~ megila before
laining

lay out the rules for everybody

another aitzah is to turn the speakers on your computer to 0 volume and then you won't hear all
the interruptions

When are you gonna show us Achash's Woodford Reserve?

It's a good thing that there are two Adars this year...

Maybe that way we'll finish the megillah in time for peerim!

Dah Dah Dum Dah Dah Dum, Ah Ah Ah Ah Ah Ha, la Da Dum la Da Dum, Ah ah ya yay...
(too bad I couldn't write the notes, but at least those are the words...)

Actually it's enough for the Gabbai (in this case EL) to give a potch on the Bima and announce
az me tur nisht oisredden.

another aitza is to turn the speakers on your computer to 0 volume and then you won't hear all
the interruptions

Duh, but then we won't be able to hear the rebbe lain megillah either!
