

You know you're on GYE for a while when...

Posted by ZemirosShabbos - 07 Mar 2011 18:02

1. there are no DEAD batteries, only powerless ones
2. you count the steps going to the second floor and there are only 11 steps. You call a contractor...
3. You kid runs in saying he fell, you say "fell shmell"
4. You tell your friend that you called because you 'Just wanted to say hi' and hang up
5. sometimes you feel that now you are 'Just Having Fun'
6. every Gerrer chusid gets surreptitious looks, 'maybe he is the heiliger Guard'...
7. when you meet someone new you tell them "hi and welcome, you should be getting the official welcome package soon..."
8. passing roadkill is a meaningful experience
9. if someone says the Bardichever lived 200 years ago, you say 'nuh uh, he lives in Kentucky and drives a big truck and sells ice cream
10. you are at a bris and you hear the baby is named 'Dov' and you go over to the baal simcha and say that is a beautiful name, he asks "why so?" and you say ummmm, well you see, it's a long story, not for now and change the subject

11. you go in to meet an adam gadol and he asks you how things are going, you say "Baruch HaTatty"

12. you are at the grocery and you stop at the 7up and start grinning

One time I was in a new shul. (NOT Mottels shul) and I was by the kiddush.. didnt know so many people so a voice goes off in my head "Introduce Yourself! and receive a Warm Welcome from the community" !.....

carry on folks, if we get to 90 then we can be on the chart

I smiled at the thought and then ate my chulent in peace.

Also Ive been drinking Woodford these past two weeks on Shabbat. Its Good!

Agav, after all the "Woodforing" does anyone here even Woodford at all???

Philosophical Pondering of the Day-

How much Woodford would a Woodford Woodford if a Woodford could Wood Woodford?

When you single handedly try to keep the "Just Having Fun" section alive

When you consider "Just Having Fun" Serious business for emotional health

When you know peoples posting averages like those guys that know all the baseball stats by heart.

Can we have a kumzitz to celebrate my leaving the internet?

Can we have a (temporary) kumzitz to celebrate your temporary return?

No, we could have a "Tavzig" [to those who don't know what that is, Rashi Avodah Zarah end of 14a explains, a "Comporiesaa".]

I'm not so fluent in (old) French, so I checked the Metargum on that Tavzig. He explains it as getting up and preparing to dance (????, ??? ????). Sounds like the opposite of kumzitz.

Hmm.. I spoke too soon

Did I mention the 12 step?

Gye'rs only rock the 12 step.

"This is one small step for man, Twelve Steps for mankind"

You know you're on GYE for a while when you notice that this thread is being used for a different purpose than that which it was created for, and you know the term for it as well, it's called a "hijacking".
(cause theres no gravity, so his one step equals 12 of ours..

You know you're pretty long on GYE, if ...

-you wish somebody chatzlocha and want to add "and KOMT"

-whenever you see the word "gevura" you wonder "and where is the exclamation mark ??"

You know you're pretty long on GYE, ...

-if you try to remember and even to record your conversations with your friends in Real Life-
what for? maybe you will be asked a question, and like this you can just quote what somebody
already said :D

-if you actually answer in Real Life quoting yourself/your friends, something like this:

"hey yanki, how is the weather like?

-well, moish, like oncle shmuli said on the 13th of may this year exactly 14:02:56 o'clock: its
actually very good"

or it can go like this:

"-avrumi? you remember what the rov said? was it mutar or ossur?

-here, rivki, take this recording of our conversation with him, its somewhere towards the end"
:D;D

-if, as you have a conversation with a couple of friends you will first quote exactly the sentences
you want to comment, even in case it was said just 3 sec before, to get sure that MAMASH
EVERYBODY will understand, what u're speaking about.
