Zemmy, this is Mamish Ah Ge-Oi-nis!

Lemme give this a try.

64) When you go to the zoo and wonder why there are No Green Elephants.

65) When you spend more time on GYE then you did on Porn Sites.

66) When you start speaking "Dovish".

67) You smile to yourself when someone says a vort from the Bardichever & he wants to know what you thought was so funny about it.

68) When you tell people to Have a Guarded Day!

69) When you get excited like a small child getting a lolly pop, when you were promoted to a Hero Member.

70) When you meet a red neck & feel like you have known them for ages & have a lot in common Like,

Posoms?! Yup! Posom Cholint)

Kick boxing?! Yup! We got that too.

Roadkill?! I have heard of that one before!

Trucking?! Duh! That's what we do all day! This takes me to #71.

71) When you Keep On Trucken but have no idea what to do when you sit into an 18 wheeler.

72) When you think you have to keep on posting here even after you ran out of ideas 5 numbers ago.... You know you have been on GYE for a long time.

78. when someone says "Thank G-d" quickly, you ask him if he said G-d or guard

79. in birchos hashachar where it says ????? ???? ???? you have penciled in on the side "one day at a time"

80. you think Humpty Dumpty should have just said fell shmell and kept on trucking after his great fall

81. you have figured out a way to hang GYE flyers on the sly, by putting a GYE flyer under an innocuous one about Pesach in the Sahara or something and putting scotch tape on the back of the GYE flyer and attaching the Pesach flyer with just a little bit of shnapps/water/shoe polish/whatever which won't last more than 10 minutes while you escape in the getaway car...

83. after that *lechaim* you tell everyone to lean closer and you are *megaleh* that Dr.Silkworth was a *gilgul* of Charvona and he was primarily concerned with saving the trees, but the 1930's were just too early to start environmentalism
