

The most Geshmock 90-Day journey...of my life

Hello all.

My name is ... ya right. As I said in my intro thread, I'm 21 and been suffering since I was 12, with no more than a 1 month break while I was in Israel (at least not that I remember). I'm currently 6 days in and strong! (I think, and I'll get to that.) Whew, beginning aren't easy. I find it very easy to wake up each day and say, "Today is just one day." I find it easy to ask Hashem when I Daven to help me just for today. But, the fact of the matter is, when I'm 'in the moment,' I totally forget all that, and I don't know how to get hold of myself then. Thinking of this wonderful community definitely helps, thinking about the small \$ Neder I took on for Tammuz helps, but

It's really scary to see people on the chart who have already had their 90 days and have slipped and are starting over. Not to Chas V'Shalom put them down, but it scares me because I think that once I hit 90, iy"H, I'll be good to go, but obviously it's a lifelong journey.

I said I'd get back to why I only think I'm 6 days in...but I want to know if this is the more graphic thread, or are we supposed to keep it clean on this thread? I'm still obviously a Newbie, so if someone can let me know the boundaries of this thread, please do!

Anyway, the new site preview looks cool and I CAN'T WAIT for the new live chatroom to open up!!

I've been slipping, and I'm only 6 days in

Just had the filter on my phone changed to block 2 sites that have been giving me trouble as well as stopping apps from being downloaded, which was also giving me trouble, however it requires a full block of downloading apps so I hope no actual apps I need come up...

You deserve to feel good. You removed the nisayon. Now when you daven "v'lo li'yedei nisayon" you will feel you have a right to ask Hashem for the extra help, since you did whatever you could.
