hi everybody. clean 100 days here. but looking for chizuk in continuing this journey to where we all know we want to be. A little about me. born modern- became frum later in life. Had prob with m\* since I was able to. I began working toward recovery about 2 years ago. I had a lot of ups and downs, I am finally at a point where things in that area of life seem to be leveling out. only thing is everything else is so up in the air..... I actually dont know whether Im comin or goin. But Hashem has a plan for all of us, and thats what we need to follow.

we have a major problem here

as this year the malochim are busy the whole thursday and friday with the shoffar, so they cant guard our cholint, therefore we need a special tefilloh on rosh hashono to have a teriffic cholent this year

in ??? ???? ???? there is a discussion of this very topic and the maskana lemaiseh is that the malachim of the mitzva of eiruv tavshilin are shomer the cholint. basically they takes turns, one of them hears shofar with the men and one hears when they blow for the women in the afternoon. but the tefila you are proposing should help keep the cholint up to par.

Zem, thanks for the brocha. Best one I ever got, and for the heads up re the angel chulent situation. Now for the real question. On leil rosh hashana after davening.. I wanna know who here is planning to wish their friends the traditional lashana tova tikaseiv etc...

I was thinking I'd be wishing people a shana tova of trucking away, and staying sane. L'later a heise piece of fleegen,some woodford and chulent. Do you think anyone will notice?

A thought occurred to me for the fiurst time ever. Every RH and YK of my life just about, since I was able to m\*, and since I have looked at p\* I have asked G-d to forgive my sin. Especially in 'avinu malkeinu hachazireinu bteshuva shleima lifanecha.... This year, I think I will focus on it mpore in 'shlach refuah sheleima ICHOLEI amecha. Although as addicths we know this is a terminla and permanent illness... We can always pray. And with the full giluy of Hashems honor in the yemos hamoshiach, this illness tpoo will be gone forever.

Thet's interesting, i also found that the focus of my tefilos has shifted since i came here. In the throes of my lusting and acting out, knowing inside that it was so wrong but also aware that i could never stop, I would daven with (fake) sincerity for forgiveness, knowing that literally Lapesach Chatos Rovetz and that there's no way i could stay clean for very long (some years i would manage till after simchas torah, others not even one night :-[ ). the only thing that I could daven for with any honesty was for Moshiach, somehow I knew that was the only way it could end (although i had no hope that I would actually be zoche to see it).

Now I find myself concentrating more on things like Refaeinu (like you), Somech Noflim (that always reminds me of GYE), and especially Re'eh B'Anyeinu VeRiva Riveinu, see our pain and fight for us, because we cannot fight for ourselves. V'sechezena Eineinu, are these eyes cleaned enough to be worthy to see it?

May we all be zoche that our tefillos should be niskabel and we should be redeemed from our personal golus as well as the golus of all Klal Yisroel.

Good morning.. I knw this isn't a very heilige teshuva kind of thought for the morning of erev RH, but in my own recovery this is where I'm holding and tryong to improve. BH with His help I am w/out mast\* for abt 150 days. However, P\* is still drawing me A LOT. I realized thius morning why.

When I act out by m\*, I feel horrible. I hate myself and eventually w/in a day or so, I lose my temper on those that I love and they suffer for my problem. I in turn feel guilty and suffer from feeling bad abt the acting out, and feeling like a piece of dirt for hurting my loving innocent family.

That has helped motivate me to stop as strange as it sounds.

Now, here's the kicker- while I feel bad abt p\*, I don't lose my self worth to the same degree that I do when I actually m\*. I don't feel so bad abt myself and so sad that I lose my temper in frustration. It bugs me and I go vaitei. So I'm lacking the same motivation (emotional pain) that I

have to quit m\*. ... The place where this really hurts me is when together w/ my wife and trying to say s/t like 'I love you'. I feel like a total hypocrite then... But its still not really motivating me enoujgh to quit p\*.

This is coming up now bc, I really would like to stand in the yom hadin and feel I have a plan to live p\* free as I know Hashem wants. I simply can't just tell myself 'its assur' 'your gonna go to gehenim'.... That has never worked for me. I still act out and just feel dammed.
