

Back on Track's trekking along

Posted by Back on Track - 07 Aug 2011 19:45

hi everybody. clean 100 days here. but looking for chizuk in continuing this journey to where we all know we want to be. A little about me. born modern- became frum later in life. Had prob with m* since I was able to. I began working toward recovery about 2 years ago. I had a lot of ups and down, I am finally at a point where things in that area of life seem to be leveling out. only thing is everything else is so up in the air..... I actually dont know whether Im comin or goin. But Hashem has a plan for all of us, and thats what we need to follow.

I realized that was plaguing me so and eventually led me to stress and act out was because I was not being entirely truthfull about an issue.

The stress of how I would 'keep up the 'lie' and keep what 'I' wanted did me in....

Perhaps that is y I feel more at peace even though I acted out. The realization set in shortly afterward, that I just need to accept where I am in this givn situation. And work to imprpove from there instead of taking a not truthful short cut.

A more real life lies ahead.

Hashem took Bnei Yisroel the longer route to Eretz Yisroel because it would be too easy for them to go back in the face of troubles. The longer more difficult route was the better route.

Hatzlacha in all things GOOD.
