Hi,

I introduced myself, not long ago, [Here](#). But I have grown since then, and have outgrown my small house in the "Introduce Yourself" part of town. I am a Jr. Member and soon will be a "Full Member" IY"H, so I decided I needed to build a new house in a new neighborhood. I looked around at different neighborhoods and saw some spectacular houses in "Wall of Honor". I see that [Zemmy](#) and [Bards](#) have built here among others, so I decided to plant myself here as well. I will hopefully build some walls of honor myself, and continue to make great friends along the way.

I plan to use this as my main posting thread. So please come in and make a l'chayim, or enjoy some chocolate babke and fresh brewed coffee, or just stop by to say hello.

It's a privilege to dwell among such chashuve yidden!

I think I once saw (maybe in Sefer Chassidim) that once upon a time some bochurim dorned in the house of a great sage, and they noticed next to their beds were prepared huge basins of cold water. When they asked their host, he explained, "You guys are young boys, and may be overcome by lust, so you can take a dip in the cold water to relieve the pressure."

Which reminds me: I once went to a mekubal to discuss these issues, and he gave me some advice. One solution was to take a cold shower each morning. (No it didn't help.)

No. I made an appointment and paid for his services. Actually, he is a legitimate guy, with letters of recommendation from many many gedolim. He helped me with Sholom Bayis and Chinuch issues, but as we all know, addictions die hard. So although that's what I really went for, but that part was not resolved (at that time).

Did you meet him at the airport?

I tried in the bathroom on the plane. But they were banging on the door...

You should've done it when the minyan was blocking the bathroom anyway

The minyan was banging. They wanted to use the shower.

Didn't kabbalists blow a shofar on a plane by the (fake) dybbuk a few years ago?

I suppose the real question is if the took a cold shower first.

Wait a second. Was that your plane?

Do you travel first class, or are you tiny enough to fit into that sink?

Yes - and food stamps too (and with Section-8 you get a business class seat).
