Hi,

I introduced myself, not long ago, [Here](#). But I have grown since then, and have outgrown my small house in the "Introduce Yourself" part of town. I am a Jr. Member and soon will be a "Full Member" IY"H, so I decided I needed to build a new house in a new neighborhood. I looked around at different neighborhoods and saw some spectacular houses in "Wall of Honor". I see that [Zemmy](#) and [Bards](#) have built here among others, so I decided to plant myself here as well. I will hopefully build some walls of honor myself, and continue to make great friends along the way.

I plan to use this as my main posting thread. So please come in and make a l'chayim, or enjoy some chocolate babke and fresh brewed coffee, or just stop by to say hello.

It's a privilege to dwell among such chashuve yidden!

“we cannot build peace on a foundation of lies, because in the end it will break apart on the rocks of truth.” ~ Netanyahu

I think we can probably borrow this for shalom bayis as well.

Netanyahu's quote sounds very poetic, although I have not a clue what it means. The phrase "rock of truth" seems to be a chrisitan, mormon, sufism concept. I suppose you can build on a rock of truth, that's what Yushka was alleged to have done. But Netanyahu seems to be throwing them at some structure built on the foundation of lies, although we also know that lies have no foundation. But I do agree that lies are not good for Sholom Bayis and poetry probably

Have a wonderful day and continued hatzlacha.

iS.

to me the meaning of Netanyahu's words seem clear. not being familiar with sufism or the other religious sources for the rock of truth, the only reservation i had was basing shalom bayis on
