Let me tell you something.

NOTHING I can or will do [besides pray, and say tehillim] will make me healthy wealthy and wise, so are you saying I should get up and say tehillim, or perhaps the reason you're on the forum is because you think it'll make you healthy wealthy and wise?

here's an update zems [it's not official though]

I go to the tish of a certain rebbe every week simply because i like some of the ZEMIROs they sing at the tish, i don't stick around too late though, not my style...

anyway this week i ate by a guy that goes to this rebbe's tish bikvius, doesn't miss a week, at the end of the seuda he tells me that usually when he has guests he bentches with the guests at home, but since he always sees me by his rebbe's tish, we'll all bentch together at the tish. so i was stuck there til 1:30, if that's not enough, the challah at the tish was hard and dried out, but i needed to eat some if i was going to bentch there- right before bentching the rebbe noticed that i stayed til bentching and sent ah shtickel challah to the ahmerikanner buchir- so that i have to force myself to swallow some more of the stuff.....

at least i heard some nice zemiros....
