

To sobriety and beyond!

Posted by obormottel - 02 Nov 2011 07:09

Ninety one days ago I was miserable and despondent. I was in a relapse from an attempted (and quite short-lived) sobriety effort. As always, the renewed filth-a-thon was dragging me deeper than ever before, forcing to search out darker and darker fantasies and visions. The lowest point of that particular escapade was arguably from the lower ones in my adult life: the night before, I got up in front of the whole shul and made a public "siyum" on a maseches I haven't finished learning. And it hit me really hard: the realization that I had no integrity left, that I can lie to dozens of people who are my friends, my Rabbis, my sons' teachers; that I can say the wonderful words of Hadran Aloch and know that I am lying....and all because pictures and videos of people doing all kinds of deviant acts take up so much of my life, that I am only faithful to god of orgasm. That is my only true commitment, for which I would lie, deceive, manipulate, throw a fit over, neglect responsibility, assign blame.

By then, I have already instinctively made the first step: I acknowledged my problem for what it is, admitted that I am powerless to stop it, and wrote to my Rebbe begging for help. I may have davened that day for Siyata d'Shmaya, too: because while browsing some Israeli website, I saw a GYE banner.

Ninety one days later, I am, by the Grace of G-d, ninety days clean from intentional watching of pornography and masturbation.

Poischim b'cvoid achsanya: I owe hakoras hatziv to the Riboinoi shel Oilom and Rabbeinu Guard Meshichoi, and the GYE family. I love bickering with Dov, shmoozing with Bardichev, exchanging thoughts with Alexeliezer, Zemiroshabbos, Gevura shebeYesod, Gibbor120, Yosef Hatzadik, Shmeichel.....and everyone else whose name is omitted solely due to space constraints. Thank you! Thank you to Mordechai, who pledged \$90 to GYE if I stay clean for 90 days. Thanks to our newest moderator, UAJ, for a consistent flow of good ideas.

Thanks to all the new guys (can you even see me, I'm so high up in the clouds?) for letting me rant and vent on your threads.

Originally, I was going to wait till the end of ninety days and refer back to the handbook, and to the "GYE in the Nutshell" for whether I need additional help. Thank G-d I realize now I will always need additional help.

So I hope to use this thread as an interactive journal (like so many people here have) and take you guys with me to

whenever you're ready to peel off that duct tape, I'll get back to yelling....

Just reporting to duty: I'm alive, sober, and living at home.

L'Chaim!

I know, i was being a little facetious there.....

. Good to hear. You're gonna have to remove the tape yourself.

And usually she goes first... >

(hint: it's better to just rip it off all at once than to pull it off slowly. It hurts more, but it's over faster)

I went to a new location for my SA meeting last night, and I loved it! The energy is unbelievable. For the first 30 min I was shaking like a leaf, but after I calmed down, it was like being with people who I've known for a longest time. And then, when I got home (ab. 20 min later then my ETA), wonder of wonders!, not only the Wife wasn't mad, she had dinner ready, and asked me how the meeting went. That's her first showing interest! I also think she finally registered for Spouses forum. I think...

So yeah, I'll see you in the kitchen.

Zemmy, make sure it's a Wild Turkey.

What is GYE minhag for Thanksgiving? I've not been here that long...

Would you like some duct tape? I think Mottel may have some, although it may have some hair on it.

Don't I know it. Sometimes I feel like a 73 trapped in the body of a 4 working like a 75 and 24 and 35 but getting paid as if I am working for the 14. In any event, 19 and glad to hear that your 63s are all working.
