Re: im starting NOW Posted by tehillimzugger - 03 Mar 2012 19:15 better believe it! for some it takes longer than for others.... "Sit down, both of you, and don't speak a word till I've finished." So they sat down, and nobody spoke for some minutes. Alice thought to herself "I don't see how he can ever finish, if he doesn't begin." But she waited patiently. -Alice in Wonderland

... so I'm happy I have begun...

Make a list of things that you enjoy (other than the obvious stuff).
Keep adding things to your list.
Doing things you enjoy can help you get through the tough times.

I wish i can But my whole day is spent in Yeshiva which I hate Its a pain in the tuchas a huge pain and there is nothing enjoyable throughout the day and i have a harder time dealing with anything let alone our lust on a yeshiva day But I do try sometimes I "take off" and just chill and go jogging or do exercise But I would love to enjoy learning, alright Im just complaining but I hope things get better Be"H
