

OK I Will give it another try

Posted by mdmjerusalem - 09 Jan 2009 14:33

Dearest friends

I know you were looking for me and wondering where i landed

Here I am, but you wont recognize me.

Well the last few weeks have been catastrophic

I found myself feeding my impulse/gloominess about once a week

Since my membership end of summer I achieved 50 days twofold.

Failing for the second time ????? was more that I could tolerate

But I am inept to persist in this manner

Now that ??????" is around the corner

I take on myself a new instigation

NEW RULE:

The net is strictly for business usage

No news or entertainment on the net for **2 weeks** Bli Neder

Your emails to me can fill the void gap of association

Please friends do keep in touch

(Btw: I hate being the *mishken* so to have a good *kesher* do tell me **about yourselves too**)

I will try to respond to every comment

Gut Shabbos

Your buddy

M D

Don't let the depression get to you MDM!! Just because you started battling this later in life than I does not make your efforts any less important. Akiva didn't start until the age of 40, and look what he made of himself! Just do your best, and if IM is an issue for you, don't take a chance! BLOCK IT BLOCK IT BLOCK IT!!!!!!!

Hi MDM, Sorry I went to sleep :-)

Ok, I confirmed the e-mail change. But what does that help if you hold the password? If you want to use showMyPc.exe to let me access your computer, I can change the password for you. Do you have the program?

the password was randomly typed

i do not know it myself

you did receive a email with a temporary password

you can use it to change it to what you know
