

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that usually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

Hello everybody!

My Dear friend pidaini seems to have gone on a sabbatical, so I wanted to pm him a vort I once saw, then I said to myself maybe there are other people in the audience that could benefit from it why not post it, so here I am.

The possuk tells us ?????? ??? ?????? ??? ??? ?????? ??? ?? ??? ?????? And Moshe was very humble, moreso than any other person on Earth.

Rashi on the word ?????? ??? explains ??? ??????, **humble** and **tolerable**.

So the Rebbe reb Bunim of Pishuscha asked what does savlonus- tolerance have to do with Anuvah - being humble?

so he answers as follows, many times we see people that when they are ??????/????? - humble it causes them to loose self respect self tolerance and that could lead to loosing all positive

aspects of that individual.

Moshe Rabeinu was a **???? ???? - humble** but that by itself is not enough he was also a **???? tolerable** meaning to say that he was able to **TOLLERATE** his **SHIFLUS**.

Many times I find that slipping causes regrets which causes a deeper slip which cause more regrets which cause a fall.

It is therefor maybe good to keep in mind that we are not perfect and be **TOLLERABLE** of our shortcomings as the above mentioned Rebbe once said we have two contradictory obligations 1 to say **?????? ???? ????? - the entire world was created for me** and the other **????? ???? ???** **???** to be humble. so he said it all depends on the situation in what the person finds himself. If the YH is telling him how great he is then he should think **???? ??? ????? I am worthless**, however when the Yh uses his anuvah as a tool to pull him down deeper then he must say **?????? ???? ????? - the entire world was created to serve me**.

Hoping this will be helpful to some.

Pidaini as soon as you return I will BLN step down;)

Well then, I don't think I'll be back, it's a shame to loose your posts!!!

What basically came out was amazing, I wasn't ready to believe that Hashem could take care of the obsession just like porn could!!

I think that was the biggest insight that I had from this past descent. Until now I had somewhat felt that I had it all figured out, I knew how to surrender fears and resentments, and how to let go of lust ~~and let Hashem take it away~~, that was jsut to make it sound good, I really thought that I was doing something.

It hit me then that there was nothing I could do to get out of the obsession that I was in. There was only one of two ways, either to give in or that Hashem just make it go away. But I had to be ready to give it up, and when I went to gmail I guess I showed that that was indeed the case.

That gave me an entire new meaning, an entire new mindset of letting go-completely, just let Hashem!!

BH, I'm doing much better, and the difference now and between the last few times I've felt better is that I am back in contact with all the regulars.....don't know how long it will last, but who cares?

ONE DAY AT A TIME!!!

A guy walked into a bar with his giraffe. He ordered a drink, and the giraffe lay down beside him. The bartender barked angrily, "Excuse me, but you can't leave that lying there!"

"Err," the man said, "It's not a lion. It's a giraffe."

Hi Zem,

I'm honored that I made it into your signature.

I would modify your above post by one letter.

"Excuse me, but you can't leave that **lying** there!"
