

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that usually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

Without the 'white knuckling' first week when I basically kept my glasses off to an extreme (BH wasn't hit by car), I just don't think I would have been able to snap out of the second/ third looks

game, and by extension, have come clean in general. Wait, now that I wrote that, I'm actually sure. ???? ??? ?? ??? ?? ????? ????!

Have a wonderful trip, Pidaini. My guess is you're such a masmid, that you even show up bein hazmanim (to gye).

So c u around!

er..guys...

i'm kinda stuck

i'm really thinking about too much thinking...and don't think i know how to stop thinking about thinking, i think it doesn't bother me to think (it kinda free, you know),but i think that if someone else thinks different, that is also a reason to think, so what do you think?

Just a THOUGHT:

???????? ?????? ?????? ??????

does NOT mean that every time you turn on your thinking machine it has to be in connection with ????

* just sayin'

????? ???

PIDAINI:

???? ???????????? ??? ????? ?????? ????????????

We wouldn't want him to get sad right after landing and being through all that he hopefully was successful going through.

Thanks everyone!!

This post is just because yankel likes his thread to stay on the front page

The trip was a completely different trip!! There were times during the trip that I asked myself "what's wrong? Why am I not feeling tense, uptight about making sure not to see anything

It was so liberating to know that A) travelling isn't really as hard as I had experienced it to be (it's just my own perception of what's going on in my head, which leads to) B) I don't have to lust!!!!!!!!!!!!!!

WOOOOOOOOOOHOOOOOOOOOOOOOOOOOO!!!!!!!!!!!!!!!

I haven't been in touch much with Hashem though, going to change that right now, I have so much to thank Him for!!

Another flight coming up on Sunday, it's longer, but if it worked, it worked and can work again!!

Thank you again everybody!!

P.S. Cordnoy, I did a shvacha job using the "watching license". I thin kit was only an hour or so.

Whaaaaaaaaaaaaaaaaatttt????????!!!!!! Not in touch with Hashem???????

You must truly be a genius, Yankel - An absent minded genius!!

You have been in Touch With Hashem BIG TIME!!

All that insight and realization and learning those lessons, even the "shock" which you started with...

There is NO WAY that someone who is not in touch with Hashem can experience those feelings and insights.

Your whole trip was one big ????? ?' ????? ???? (sound familiar??) experience!

??? ???? that Hashem should continue to give you tremendous ?????? ?????? to constantly stay in touch with Him.

You guys remind me of the person who met someone and wanted to be able to contact him again:

> Can you please give me your phone number?

> It's listed in the public phonebook.

> But what's your name?

> It's also listed in the phonebook, right before my phone number!

I would agree that the anonymity is overplayed around here.

Pedaini, we want your full name and *all* your phone numbers, wherever you may be on your vacation.
