

Yaakov's Ladder

Posted by Pidaini - 08 Mar 2013 17:33

Starting my log a little late, i'm BH holding by today, which is number 53 of all the todays, but Bein Hazmanim is coming and i need to keep in check, and might not have time for all the chatting that ussually helps me clear my mind (thanks guys!!).

i've been using AlexEliezers advice, that he gave me right when i first posted, of bulletproof Shemiras Einayim, or trying at least, and BH got to Today. but it's all changing now, it's not the same streets that i walk down every day, know exactly where to go so not to look, the dangerous places where i have to be careful etc.

now i'm entering the lions den, going to the airport, the airport itself, a few hours on the plane, etc. it's really scaring me!!

anyone have any ideas?

also been struggling with dreams, i know it shouldn't affect me, but it does, because it makes me realize that my mind isn't clean during the day, which leads to the next question how to keep my mind clean?

Wishing all you a Great Shabbos and it's Parshas Hachodesh so may we all be zoche to renew ourselves!!

Since I have [already admitted](#) that I take my Karma rating personally, I might as well mention that I have noticed that I lost two karma since my fall.

If there is someone that I upset somehow, please let me know what I did, either here or in a PM.
One thing I can tell you is that it wasn't intentional in the least.

Well.....

This is my 2000th post!!

and with that I have quite an insight that Hashem granted me this morning!!

Last night I realized that I have probably lost hours and hours worth of notes. Now, if I would have KNOWN that I lost it, it might have been better, but I wasn't even sure, so I had the doubt also.

I really thought I would go into depression, and with that lots of porn and masturbating, but instead I sent out an email that I am very scared and decided to hold off the depression until I am sure that it's lost.

I woke up this morning much calmer, sort having accepted the fact that I may have lost it. Then I

realized something else....I was still clean!!

I was feeling all cocky "now Hashem owes me!! I had/have the complete right to be depressed and go do whatever the hell I want, and I didn't!!"

and then a soft voice sort of whispered "Don't be stupid!! You know very well that it's exactly the other way around!! You owe everything to Hashem for enabling you to enjoy life even though you are in a bit of a difficult situation! Just imagine what your experience would have been if you would have gotten depressed, gotten all into porn...you would have been absolutely miserable!!"

I would therefore like to use my 2000th post to thank Hashem for this day that He allowed me to experience in a sane state of mind and for showing me clearly what it could have been had He not helped!! (Pshat in Hareinu Hashem Chasdecha, that Hashem should show us his kindnesses that He does)

Thank You!!
