

Hashem, please open up the road for me!!!

Posted by pischoshelmachat - 12 Mar 2013 20:30

I started my 90 day journey last Shabbos and it feels great so far. I know that I will walk into an ambush any time and I daven that with my little hishtadlus in joining this wonderful community of GYE and with the chizuk from my new partner, I will be able to pass my first test.

In the mean time I thank the RBS"O for every day that I am able to stay clean.

What a breath of fresh air.

I am now almost 46 and I so badly want to be mesaken this while I am still in the young years so that my Teshuvah can be complete.

I don't like to talk or even think about what I have done in the past because it is too painful for me to face the horrible things that I did that are so not who I really am. I want this to be the beginning of my new life that is Tocho K'Baro.

I cry every day that my children should be pure and grow in Torah and Yiras Shomayim but how can I expect the RBS"O to give me ehrliche children if I don't fix myself. I just daven to the RBS"O that my children should always be Yirei Shamayim and not be punished for my weaknesses.

Hey Yiras, I still appreciate you sharing some good advice with me in a private email. I think about what you told me all the time.

Whenever I see your sobriety number, i know that I can do it to just by simply following what you and others like you have done.

Thank you!

I am at a conference today with no women.

Thank you HKBH for keeping me safe today.

I am powerless and cannot behave without your help.

Thank Hashem also that "no women" at the conference helps for you.

For me, It doesn't matter who will be there. Maybe a phone conference would be ok.... then again, maybe not.

Thank you. If you are busy at a conference and there are no women, what is triggering your lust?

I was just saying another thing that you can add, when you are counting your blessings.

You are correct. I am very lucky that I don't have ssa. But then of course HKBH knows I am not able to be tested in that area for I will flunk. You are clearly stronger than I so hkbh chose to test you.

Am I jealous? NO WAY. HKBH, I just want to be sober. Please don't test me.

Your words of chizuk touch my heart. I don't feel strong. I feel very weak, but I guess that's good , because then I can realize better that I must rely totally on Hashem.

A quote I saw that I personally do not relate to.

"We are not punished **for** our sins; we are punished **by** our sins."

Hello My Dear Friends,

Some of you reached out to me wondering where i was. Well, I know that i must hang out here and stay in touch to stay healthy. I did not follow the formula so a fall was inevitable. I am humiliated to have to disclose that I fell today after 140 days. I have no time to mope about it especially since i know clearly how to stay clean. I learnt that I can never let up on my constant work to get closer to HKB"H.
