Hey guys, ive been on here a bit. i recently changed my name from pleasehelp9753, so if u dont

. But im not letting it get me down (even tho my wife is  
) . i so far have a total of 49 days since coming

By the way, side note: ive been working on my Shmiras Einayim, but even if i look, i dont feel any lust towards those women at all. In fact, that doesnt even turn me on, its just a teivah to recognize me, thats why look. And when i act out, thats all it is: a teivah to act out, does that make sense at all? (what im saying is that i think shmiras einayim on the street isnt my problem...)

Anyway, so i fell yesterday, at day 17

Yesterday i was walking home and i saw ahead of me 2 prutzim turning onto the street on my way home. Usually i dont have a problem, because most women here are dressed normally, so i just look away, but thses two were not dressed appropriately at all, so i didnt trust myself. So, i did what GYE was made for: chatted my problem to my good friend ???"? ?????? ?????? ?????"? and he gave me a few ideas and chatted with me so i was kept busy on my phone until i passed

So, thanx to 3 more puzzles (im pretty good at them, so i finish them quickly) and a much better

P.S. what does sesquipedalian mean? we dont speak Somali in Lizhensk
