

?? ????? ?? ?? ??? ?????

After joining the forum and posting looking for eitzos and chizuk a couple of months ago, (which I am happy to say I recieved on both accounts, thank you all) I reached a point where I felt comfortable trying to "move on" with life, stopped posting, stopped updating my chart for a little, and sort of adopted a "ignore the yeitzer and it will go away" mehalech. Bad move (anyone surprised?).

After having a few shvere weeks of falling, I kind of pulled myself out of my rut (or I should say Hashem pulled me out; where would I be if I had to fend for myself?) and am back on the right track now, B"H.

My point is, while I may have some outstanding "technical issues" to resolve (i.e. my work computer's filter is still broken, which I am not quite sure how that happened, or if there is a feasible way to either fix it or install something else, not as easy as it sounds, but I am getting off topic...), I think that what I really need to do is post my progress on a very regular basis on the forum, whether or not I have something intelligent to say. I would like to be mekabel this commitment to post every day that I am at work (my ikar makom sakana) and able to post, with a little more than a ??? ???, but less than a ??? (at least for now)(does such a madreiga even exist?). So hopefully, if you are reading this, you should expect to hear from me on a regular basis (five days a week, Monday thru Friday) unless I am really bogged down with legitimate work stuff that I don't have time to post (halevai, kein yehi ratzon).

So, without further ado (drumroll, please).....Ahem...

Today is July 8, 2013, ??? ??? ????? ??, '?'?????', and I am clean today! (and have been for about a week now, but why bring up irrelevant matters!?)

See you tomorrow!

Hey, look at this thread! It looks really interesting! I would LOVE to meet the guy who started

Maybe I will follow in his ways and state the following:

Today is ??? ?????, ?'????", November 26, 2013. Today I am clean! I am going to try my hardest to restrain myself and not tell you all that today I am 150 days clean, because my count doesn't matter, only today counts!

I would like to take this opportunity to thank all of you guys for your continued support especially my real live GYE friend, you know who you are (I know you do read the forum sometimes, even if it's a long time since you posted anything)  
this thread, his story sounds just like mine!

Continued hatzlacha to us all!

MAZAL TOV ON 150 DAYS CLEAN!!!

sorry, couldn't resist. I think it's ok to celebrate milestones as long as you don't get too focused on them.

Today is.....wait, what's today again?.....oh, ok.....Today is ?? ???? , '????'?, December 18, 2013.

Today I am clean!!!

Sorry for not posting here in a while. Thanks Pidaini for reminding me

As I am sure many of you can relate to, the last couple weeks of December can get really quiet. Boss going on vacation, nothing happening. Which means

**Warning: Spoiler!**

Hopefully, things will start to pick up more in January...

Someone mentioned recently that I am cruising along in a Lexus SUV. Halevai. I am in my jalopy hobbling along, filling up with enough gas each day just to get me through the day, hoping the engine doesn't fall out of the car.

Anyway, on we go.....

I would like to thank Hashem for 180 consecutive days of being able to say, "Today, just today, I am clean." Even if I did not verbalize it each of those days.

And thank you to all of you, my GYE friends, for your support along the way!

Funny how I keep losing my 180's! Hopefully, this time, once I got it, I will keep it.
