

?? ????? ?? ?? ??? ?????

Posted by tryingtoshteig - 08 Jul 2013 21:43

After joining the forum and posting looking for eitzos and chizuk a couple of months ago, (which I am happy to say I recieved on both accounts, thank you all) I reached a point where I felt comfortable trying to "move on" with life, stopped posting, stopped updating my chart for a little, and sort of adopted a "ignore the yeitzer and it will go away" mehalech. Bad move (anyone surprised?).

After having a few shvere weeks of falling, I kind of pulled myself out of my rut (or I should say Hashem pulled me out; where would I be if I had to fend for myself?) and am back on the right track now, B"H.

My point is, while I may have some outstanding "technical issues" to resolve (i.e. my work computer's filter is still broken, which I am not quite sure how that happened, or if there is a feasible way to either fix it or install something else, not as easy as it sounds, but I am getting off topic...), I think that what I really need to do is post my progress on a very regular basis on the forum, whether or not I have something intelligent to say. I would like to be mekabel this commitment to post every day that I am at work (my ikar makom sakana) and able to post, with a little more than a ??? ???, but less than a ??? (at least for now)(does such a madreiga even exist?). So hopefully, if you are reading this, you should expect to hear from me on a regular basis (five days a week, Monday thru Friday) unless I am really bogged down with legitimate work stuff that I don't have time to post (halevai, kein yehi ratzon).

So, without further ado (drumroll, please).....Ahem...

Today is July 8, 2013, ??? ??? ????? ??, '?'?????', and I am clean today! (and have been for about a week now, but why bring up irrelevant matters!?)

See you tomorrow!

Just wanted to let y'all know that I am still alive! The last 5 months or so have been pretty topsy turvy for me. Having a baby, getting fired (again!) a few days later, unemployment, medical issues with the new baby, some Yom Tov travel that was nearly canceled but went through at the last minute, thinking of possibly doing a career change, starting SA meetings, just to mention a little of what has been up with me lately.

I have not been logging into GYE recently because I don't want my wife reading all my posts, but I have been occasionally reading on the forum as a guest. Today I had the rare opportunity to go on from outside the house.

Have a freilechen and lichtige Chanukah, Catch y'all later!
