

?? ????? ?? ?? ??? ?????

Posted by tryingtoshteig - 08 Jul 2013 21:43

After joining the forum and posting looking for eitzos and chizuk a couple of months ago, (which I am happy to say I recieved on both accounts, thank you all) I reached a point where I felt comfortable trying to "move on" with life, stopped posting, stopped updating my chart for a little, and sort of adopted a "ignore the yeitzer and it will go away" mehalech. Bad move (anyone surprised?).

After having a few shvere weeks of falling, I kind of pulled myself out of my rut (or I should say Hashem pulled me out; where would I be if I had to fend for myself?) and am back on the right track now, B"H.

My point is, while I may have some outstanding "technical issues" to resolve (i.e. my work computer's filter is still broken, which I am not quite sure how that happened, or if there is a feasible way to either fix it or install something else, not as easy as it sounds, but I am getting off topic...), I think that what I really need to do is post my progress on a very regular basis on the forum, whether or not I have something intelligent to say. I would like to be mekabel this commitment to post every day that I am at work (my ikar makom sakana) and able to post, with a little more than a ??? ???, but less than a ??? (at least for now)(does such a madreiga even exist?). So hopefully, if you are reading this, you should expect to hear from me on a regular basis (five days a week, Monday thru Friday) unless I am really bogged down with legitimate work stuff that I don't have time to post (halevai, kein yehi ratzon).

So, without further ado (drumroll, please).....Ahem...

Today is July 8, 2013, ??? ??? ????? ??, '?'?????', and I am clean today! (and have been for about a week now, but why bring up irrelevant matters!?)

See you tomorrow!

Good guess, Zemmy.

I heard she was planning on just throwing it in the blender with some British tea and making chummus for the Shalom Zachar. If she wanted just plain arbes salad she could always just pick some up at the British equivalent of [EDITED whoops wouldn't want to give away the name of the store where I shop!] on her way home on Erev Shabbos.

BTW, anyone know if they will have Woodford at the Royal Shalom Zachar?

A woodfordless *Royal* shalom zachar is an oxymoron. If you like you can make a shalom zachar but it won't be royal.

Today is "?" ????? ??, ?'????", July 25, 2013. Today, with thanks to the good graces of the Almighty, I am clean.

And now, in honor of *Chai Av*, instead of an intesting historical factoid (sorry Zemmy), we are going to have a musical interlude...

Am Yisrael, Am Yisrael, Am Yisrael Chai

Am Yisrael, Am Yisrael, Am Yisrael Chai

Am Yisrael, Am Yisrael, Am Yisrael Chai

Am Yisrael, Am Yisrael, Am Yisrael Chai

Od Avinu Chai

It's not shver why ????? is chaseir. After all, he was ????? in Hashem. Also, by his kever on Rosh Hashanah, thousands of people when they hear the chazzan say a ?????, they respond ?????.
(I've never been there, I'm just assuming.)

What's shver is that why is ????? ????? a double lashon!?!?!? It's a mefureshe yarmulke/shluf

Thanks.

I think it has been working for me. I hope it works for you too.

Remember, every day is just Day 1, it's the easiest way to get to 90 and beyond.

Hatzlachah, and see you tomorrow!

I have some good news and bad news to share with the oilam. The good news is that my boss just called me in and gave me a big, long-term, ongoing project to work on. This will keep me

The bad news is that I probably will not be on the forum all day like I have for the last few busy with work during my work time.

I will still check in though.

Have a good Shabbos everyone, gotta get back to work.

weeks.
