---

Starting here my 90 days period from Tisha Be-av. I'll be post here whenever internet is within my reach. Today's is day 1, feeling good.

Thank you all the people who check this forum and write something.

Azarye.

Fellows, thank you so much for your support! It really helps me.

Now I'm on my 12th day. Feeling pretty tough, but I'll fight it with all of my might today.

Thank you. Peace.

Great attitude!

Don't forget- we have a Father in Heaven that is dying to help us out- all we gotta do is ask (also speaking to myself!).

Good luck. Much continued hatzlacha!
