Posted by abe68 - 11 Oct 2013 17:41

Hi everyone,

Yesterday, after many falls and problems i decided to sign up on GYE 90-Day program.

Today, i got up as a new man, feeling that i did the right think to just begin the long climb to the 90-Days of *kedushe* and *tehare*.

Please help me climb this endless looking long ladder.

Thank you all,

Today is day number seven,

Seven is the number symbolizing the **seven** havens; the highest haven can be reached by every Yid, we need to begin jumping, even we only jump baby jumps, at the end we will reach the sky, the highest sky!

I keep on jumping – I keep on trucking
