Welcome to GYE!

How about telling us a bit about yourself? Have you ever tried to "beat this" before? If so, why didn't it work then, and what are you doing differently now?

Hatzlacha!

so this morning i messed up ....

not with watching bad stuff but w an inappropriate story.i knew what i was doing but was unable to stop myself and now feel completely worthless.

time to start again.

Welcome! We have all had your sentiments before. Have you read the handbook? What tools are you using (other than trying harder)? Can you tell us some more about yourself?

We know what it's like. We're here for you.

Late welcome R' onlymitzvot!!!!

Don't be a stranger, we're all in the same boat, struggling with the same thing!!

What have you tried, what about it didn't work this last fall?

Looking forward to getting to know you better!!
