

best Birth-Day present

Posted by tcrvo - 07 Jan 2014 09:33

I joined GuardYourEyes website, mainly for the 90 day journey

I started the 90 day, one week before my 34th birthday. the initial goal was one clean week. as a birthday gift for myself. Boruch Hashem with help of the almighty. I succeeded, then my goal was one more clean day....

well, a few days has passed since...

my goal remains the same...

one more clean day....
