If youre not losin' by lustin', this is the wrong site for you.

go enjoy it!

I know it well; it's lots of fun (cost me a good portion of my life, tons of money, other things as well, but hey, fun is fun!)

we are here in this world for challenges

if I were you, I'd leave god out of your questions and your answers

decide what you wanna do

Wanna lust, go for it (and do me a favor please, be so kind and have me in mind....it is very enjoyable, but it's somethin' I can't afford any longer).
