

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Sorry guys im in israel.

Definitely not something to be sorry for.

Mom, you must be busy dealing with other things,

cause that's something you would catch.

Oh, hi Trying 2 (is that what they call you here?).

Dunno if we've met.

I'm sturggle.

I heard a rumor once that we sound alike.

Eretz Yisrael is the place to be man!

Have a great shabbos!

Yes, I'm definitely shepping Nachas! This is something I've wanted to do for a long time, i.e. to have GYE members make their own little SA meetings. The best would be if you guys would read some excerpts from the [Big Book](#) and [the White-Book](#) together each time, and discuss... But even if you don't, simply getting together and sharing your sturggles and your Tryings - (and your uri's) and offering each other advice, support and hope, is HUGE.

Kol Hakavod guys! You've set a precedent that I believe will become BIG one day. You are the ***Nachshonim*** of GYE :D

The next step is to actually agree to meet at set intervals. This will put pressure on you all to advance in recovery, so you can share your progress at each meeting, and not want to let down the chevra... It will also lend more power to the whole idea. Way to go guys. You are setting a path for others to follow!

P.S. [The 12 Steps & 12 Traditions](#) is also great literature to read together (just replace the word

So here's an idea for the meeting, each Motzai Shabbos:

- 1) Refreshments, small talk...
- 2) Sturggle reads an excerpt from the White-book and/or the 12&12. Discussion.
- 3) Refreshments
- 4) Imtrying reads an excerpt from the GYE handbook, discussion...
- 5) Refreshments
Alcohol with "Lust")... Oh, and how could I forget the GYE handbooks?
- 6) Uri plays a song or two on the guitar, for just a few minutes...
- 7) 3 hours and 5 cups of Woodford later, Uri shares some divinely inspired insights that came to him... something about control and trust, of-course...
- 8.) Group hug.
- 9.) Wobble home

Yes it actually went very well. Or at least i think so. I enjoyed it very much. And i got to hear some of Uris songs first hand. They are absolutly beautiful. I guess well have to be in touch with eachother and see if we can make this more ka'vuah. But its a start.
