

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Hi IT25,

I finally read some of your thread (from page 15 onward). So many threads, so little time!

I'm really sorry it's taken me so long. You've been so good to me.

I see you were looking for a partner. Are you still? I'd love to speak with you, even daily. Does that work for you?

I already PM-ed you my phone number this morning because I wanted to speak with you.

Let me know if you're interested. I can handle it, even if you just want to kvetch to me. That's OK.

If so, PM me your number.

I'm interested in making real friends, not just virtual. That's good for us. Isolation is the Y"H's best friend.

Your friend,

Momo

YAY!

Uri, if you're reading this, don't worry. There's enough love in Momo to be spread to both you and IT25. ;D

(I call Uri every day now...)
