

I'm Trying!

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

As im sitting here on the computer im listening to my ipod. 8th note from Yossi Green. And this

---

song comes on: **VE'OZ YI'YU KOL YISRAEL TZADDIKIM V'HAKODOSH BARUCH HU NOTEL YETZER HARAH ME'HEM!!!!** HASHEM HOW MUCH LONGER TILL WE ARE ZOCHE TO THIS?? PLEASE PLEASE PLEASE WE WANT IT SO BADLY. :( :( :( :( :( :( :( :(

## Why?

Is it because we want to feel good about ourselves and not have to struggle?

Or is it because we want **Hashem's will** done in the world, and the Yetzer Hara is an impediment to that?

Well, think about it... As long as we **still** have him, it means that **THAT** is Hashem's will...

So if you want HIS will to be done - not "ours", we'd better deal the cards we're given :D

Couldnt agree with you more Guard. But just like we Daven every day V'lo ledai nisayon so too Hmmm - That just might be the yetzer Hara talking there we ask Hashem to bring the day that we can serve him completely and wholeheartedly and non-stop. When we believe that the essence of this world is Bayom hahu yiyeh Hashem echad ushmo echad then we yearn for the day that we can make a kiddush hashem with out any interruptions.

I think we should have a thread of all repeats. every time someone repeats something that someone already said it gets dumped into the thread. How does that sound?? Oh and btw theres no pickles left. But lots of stale sufganiyot.
