

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

I think we should have a thread of all repeats. every time someone repeats something that someone already said it gets dumped into the thread. How does that sound??

"shver"?

so it wasn't "really" shver?

whats chewing at you mate?

i dont know if youve already done this here,

but reading over your own posts can be very helpful.

i could tell you that you're a great guy and amazing and all that,

but i think you could tell yourself the same and that might be more worth it.

either way, maybe try picking up the phone when it rings?...

Great thread IT25!

Its flakiness is balanced with a mild chewy texture like nuts and a fruity nose and finish that supprises one with the late aftertaste reminiscent of macdamias, never too late to be appreciated.
