

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Thanks to all of my brothers and sistas for answering my call. B"H things are better today. Didn't sleep much (eh sounds familiar). And i also appreciate sturggle starting a new thread for me. It

You know even those of us who try and be upbeat have things that bring em down. :-\ Lifes not all roses and im trying to ingrain that in my head. But it aint easy. Knowing i can call for some help here and get some chizuk really makes a whole lot of difference. So thanks again. And
always comes in handy. :D

Thanks momo for the offe. It was real late last night so i didnt feel comfortable calling anyone, so i just posted.

special thanks to sturggle for calling me. Twice.

I was gonna call you this morning, but I remembered you told me that lunch time is the best time for me to call you, and not in the mornings, right?

ok, whoever fixed this last night..., there is more work to do.
Sounds like youve been hanging with Uri though - he is the "shver" king!

Why do kids always think that moms and mods are bored?!

grumble

why am I always cleaning up after the kids....
