i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

IT, I have this great idea! Y'know how we've been sayin that I wanted to do a tryah thing...

So , how about I do it with davening? (same like letakain)

It's a real hard thing for me, but **every day that you're clean I will iyh daven shachris and mincha.** (Till 90, or if chv u have a fall)

) and making time for mincha during work. Will have you

in mind all the time of course.

**GO TRYAH 2!!**

Thanks trYiNg. I really appreciate that your willing to do this for me. Yes i think i will take you up on your offer. I think lost by all the htings that we do to get past this addiciton is a little davening. Everyone could use it at some time or another. So i will take you up on this deal. SO START  
:D :D :D :D

DAVENING SHACHRIS NOW!!!

Hey IT,

How was the fast?

Thanks for asking NOYA. It went well. My problem isnt the fast itself at all. My problem is that i get huge headaches afterward. Well i got one this time as well, and its still here. Well i hope it wont stay for long.

Shacharis is awesome, but does saying a shehakol (on a l'chayim) count for a z'chus here, too?

thanks ya'll for stopping by.

And Habib you can say agin that your jealous, as long as it brings you to something good. Kinas sofrim tarbeh chochmah, refers to all aspects in spiritual growth. And btw it was you gals who came up with the idea of getting together , first, no??

and yes i have been  
pretty busy with the kumzitz but other things are taking time away from me as well. dont worry,

And i feel the more chizuk i give it is mechazek
