

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

I think Howard Stern and Obie and Anthony paved the way... Rage, you have full license to say (or do) whatever you want on air.... They aint never comin for you

And just in honor of Rage Against the Machine

I got no property but yo I'm a piece of it

So let tha guilty hang

I got no property but yo I'm a piece of it

In the year of tha boomerang

Welcome to 2010, the year we're all comin back!

btw, rage radio may have zero educational value, the music may absolutely stink but one thing i will not let it be is unfunny....its gonna take some work, though...im really in the machshava kedumah right now...we still need Atzilut, Beriah, Yetzirah and Asiyah before we're kickin it live...

Atzilut, or atzlut?
