

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

I mean that you shouldn't fret all shabbos!

Indeed, that IS useful!

I miss it, too...that's a great idea, having a constant connection to E"Y on your computer like

that...

A Gutte Voch to all.

And Shavua Tov to Habib.

Well it definitely made me smile knowing tht while i was enjoying some **menucha** you guys (and gal) were enjoying my thread. Come to think about it i did feel like something was tickeling me during bentching friday night. :D But then it made me laugh seeing my Rebbes response to my post. As for Habib. Hmmmmmmmmm. I guess i do have to keep my word. And i certainly dont want you to fret. So i guess ill have to get to it. A word is a word. But dont get to excited , it aint that interesting.
