

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

May Hashem send you the words which will penetrate her heart the right way
and may He allow this to bring you both closer to each other.

hey,

have you thought about the second choice??

i mean wait. if you gonna hit the 90 in the current journey its gonna be the first step not! to tell her.

each day you stay clean after the 90 means you are healthy more and more on each day and less and less the need to tell her.

just because its history, isn't it?

what you have to do now?

you have to challenge your self to be clean from now forever ???

you have a goal - not to tell your wife!!

to justify that goal you must stay clean.

if *has veshalom* you fall tell her, you are still young. you shouldn't hurry.
