

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Sorry to hear you had a tough day - maybe it will be better tomorrow **because** you had a hard day today? Who knows?

You are a beautiful person and doing good in this world.

There. I said it.

Now take it like a man!

Thanks Rebbi! Your words are like pure gold to me!! That was beautiful and you did say it, which

Thanks to all for your responses. I'm feeling much better today, BH. Hopefully this will carry me through the day!
means a lot, but I don't know if I know how to take it like a man ???

SB- I'm sorry I didn't know you were davening for me ??? I really appreciate it. I believe in these

TrYiNg- Although I'll be honest and say I can't feel how your davening is helping, but I'm sure it is in many ways. They never said, "feeling is believing"!! Check what I wrote to SB.

Habib- Thanks for the kind words. And thanks for always being an inspiration to me!! And check out what I posted to Dov. I do recognize what he wrote and that it is awesome.

Momo- Thanks for always being there for me!! I know I should call but when I'm down I really "close out". I didn't even call my wife!! I explained to her I was down and stuff and she understood me. BH for that!

and ur an inspiration to me too!

but imtrying, sorry for being so blunt, but u gotta work on the not calling people thing...

i close up too, and that is by far the most dangerous time for me. because i feel so incredibly alone then, and i don't want to reach out, a lot of times that's when i slip.

Actually, I should have called IT25. Sorry I didn't.

When I'm down, I don't feel like calling either, but after someone calls me I feel much better. Also, if I build up the courage to call, I feel much better too.

Isolation is one of the Y"H's biggest tricks. You have to build up the courage to call someone and talk it out.

IT25, I haven't called you because it always seems to be the "wrong" time. I can only get you during lunch, right?

when ur in that mood (funk) first of all, try to realize that your in a bad mood. when u say i don't want to talk, is that the real you, or this like ruach that has taken over you. and once you realize what the real you would want if u were normal... call someone. just tell them your in a bad mood, can you talk, because that'll help cheer u up...

when u wanna be by yourself, that's the worst time to be by yourself

i wrote this thing then momo showed up and said it PERFECTLY! (except the part where he blames himself...)
