i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Hey, I-am-Trying, I know you didn't mean anything by calling us men perverts. You were just trying to say that the women don't mean what we read into it.

But it was a great opportunity to bring up what I did, so I did.

Check out Yechida's reflections (need to allot a bunch of time for this, but its a good investment), for more on this theme.

Ok ok everybody take it easy on the new guy on the block It seems that ever since ive joined ive ~~just been~~ <sup>This time</sup> getting bashed. :D Phew! But dont worry, like i told dov before as long as i know and feel that its coming from love i can take it all. **SO BRING IT ON GUYS!!!**

I wasn't saying that we should continue on this way chas vesholom. i was just saying that there is another side to this and women arent trying to provoke or trigger us and we should understand and realize that.

Gevalt! Sorry for coming off like I meant that you might have meant that! (...don't worry, I'm confused too!) It just felt like a good opportunity to put that idea out there. My apologies if it really wasn't. Besides, you sound a lot "tougher in the fibre" than most...good for you, brother!

Life is like a river.

What do you have against the corpse idea? Chukas hagoyim cuz of haloween, perhaps? ;D

Very good! A Rebbe in Yeshiva once said how life is like a river, the dead fish go *with* the flow, the live fish go *against* the flow!

P.S. Reb Dov, I didn't get the joke either. (But I sense it's deep. :D)

Addiction to GYE?

your are following a familiar pattern. we end up getting addicted to GYE.

I can't tell you the next step, though, because I'm still addicted :D.

tell us more about your addiction to shabbos. Sounds interesting (and unique, for the most part).

hello everyone. Shabbos went by pretty quickly and we are still biking. Im totally not feeling well today. In the past that was a recipe for disaster. Not doing anything the whole day lying in bed bored stiff usually ended me up by my computer. But hey it still does. Only difference is now ive got a filter and im busying checking out all thye new posts on GYE. Also im adding in my two cents here and there so its kinda of keeping me busy. Anyways hope you all had a good shabbos and are ready for great new week.
