

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

PS. If you *don't* take good care of yourself I'm going to lock you in a room with Rage, Henry Kissinger, and Obama and throw away the key!!!

(Just kidding....I'll keep the key.)

Can we buy the video to that? I'd like to see IT25 weilding his walker, WWF style...

And IT - I think that sometimes (possibly always), the days that aren't so great are really the greatest...do you know what I mean?

Thanks Eyeballer and SB for the much needed chizuk. :D :D :D :D :D :D :D :D

A hamayvin yavin day is when we want and sometimes even try to view inappropriate things but arent successful. So although we didnt even slip per se we are not happy about it.

That's a day when hashem steps in and tells us - "you've gone as far as you need to, now let me take over for a few minutes."

Maybe we should have a different name for it - like "yad hashem" days? or soemthing better than that, that's just an example...

You should - we do our best, and then hashem steps in and puts the finishing touches on -

every day. So if he's doing that, you must be doing something right.

Thanks SB. I guess I'll have to take your word on that one. :D

Well, you'd better know that I'm correct about you doing what you need to (I'm not in the mood of lying to eretz yisroel just to force you to admit it. Besides, I don't know where you live, so there'd be a lot of confused people when I knock, shove open their door, grab them by the shirt, and yell, "you're doing the right thing, IT - admit it?! oh, wait...you're not IT? sorry..."(knock,

knock) shove open the door, repeat until I find you...

I'm going with reb yeruchum here - hashem is always helping us out. So we can never take full credit for our success. On the other hand, that means that if he's helping us out, we've been as successful as we need to be, and just need to make sure we keep doing the best we can.

Maybe Hashem made you have that day so you could be reminded that He's here for you!
