

I'm Trying!

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Yeah, I think I left some garbage there by accident. Sorry about that.

By the way, talking to my therapist today, we mentioned something that I think is very applicable to the discussion we had last week. We discussed the idea that the real test of how much change we've done is when we're faced with a challenge - and then you discover how the work you've done will hold up. In your case, it did - even if the "work you'd done" was installing a filter. You prepared yourself for a stormy day, and you sailed through.

Does anyone know something I don't? IT last posted on the forum yesterday. Is there any strong evidence that he's run away from home?

And in eretz yisroel, the milk mostly comes in bags, so we can't even post his picture on the milk cartons...maybe on the backs of bags of Bamba?

Hey everyone whats going on??

Whats all this ruckus on my thread??

Havent gotten so much attention since my days in nam! :D

I really appreciate all the concern. It shows me that i really have such a great support system here. And thats even though the gals are gone. :D

Hey gals; It wont be the same without your constant chizuk. But please cont to read my thread. knowing your in this with me makes it all the more easier.

Now lets get to myself. Had a real hard patch of days lately. But im coming out of it slowly BH. Sometimes we get hit so hard that we just need some time BEFORE we can even think about what happened.

And yes Rebbe, im still truckin. Sputterin yeah, but truckin nevertheless.
