

I'm Trying!

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Hey IM25,

There's a new walker out on the market, it called the "I don't need an external crutch to keep me up, I can stand on my own two legs if I just believe in myself!!"

Just kidding I know you like your walker, its kinda like a pacifier/security blanket.... I won't get in between a man and his walker...!!
