if so,

sorry to hear that, but as i know you, its not a big deal for you and you just skip it and start your new journey,

i would be happy if you would put your self on the WOH to show us your progress.

i remember that you told me you won't ... but maybe something has changed.

Have a great week!

You can have me and OL as bodyguards - we work as boyguards against the yetzer hora. I'm going to see if I can find any pictures online of people with tefillin, trenchcoats, and swords, or maybe guns...change my avatar to that!
