

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Taking a major step is a success in and of itself. Hopefully, it will bring you to future successes, as well, but no mater what, you can feel proud of what you've done - and know that hashem is proud, too!

~~i knew what you meant.~~
