i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Ok so here comes my best friend and starts up with me! :'(

Listen Sci, aint nothing like watching a great football game. next comes baseball.

After that comes the 4th quarter in a basketball game.....and way after that comes hockey.

Well maybe i feel that way only because im from ny and we have been sufferiing so long with our local basketball and hockey teams.

Well either way this is it!

:-\* :-\* :-\* :-\* :D :D :D

sorry to disagree but hockey, ny rangers and football, NY giants. there is nothing like. winning or losing. to be a fan and feel love for the jersey and the tradition of the teams is what it's about for me. basebal i could nap to.

it25, ranger blue all the way!!

rage, torts was way to hard on the kid. hes a rookie. he made a mistake, keep it behind close doors if you want to yell and scream. rosie is another failed sather experiment. his clear made me get up off the chair and yell at the tv. but then i realized why get so upset, it's the rangers. sign. It means im doing things productive!!! why wouldn't it hit another ranger bounce on the opposing team stick and of course be the game winner? the worst part now is they maybe one of best goalies in the world and they can't put a decent team in front of him.

For a blueprint of the Ranger season ( every season that is ) read here.

For the first 20 games; Hottest team in the nhl.

Next 40 games; worst team in the nhl.

Last 20 games; Hotttest team once again and make the playoffs just just, and even that isnt always enough.

Make it too the playoffs, get our spirits high and then lose in 5 games, each one losing after being up by a goal or two!!!!!!!!!!!!!!

Its like writing a hardy boys book. They are all the same, just with a different twist!!!
