i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Fantastic! Thanks!

I think I've said this before, but I'll say it again - counting days is not just about counting to 90. It's about counting days of freedom from this filth.

~~count~~ing days, my new found partner has ordered me to do it. So i am.

In response to you sci, the answer is yes and no. I feel joining the chart puts an extra pressure on me, so i try and do it without it. But this time i asked someone to be my partner and he told me i need to get on the chart. Then i started thinking; there are so many good hearted people out there that really care about my progress. They want to know where im holding and feel together with me on this journey. So i said to myself, although i rather not do it, but it is only fair that these people get to see my progress. So i decided it would be a great idea to keep my progress on the chart. This way all the good hearted people can know where im holding. At the same time, on my thread i will not count days, this way making it easier on myself. So far this has workd out great. I myself dont check out the chart so i dont have that added pressure but everyone else gets to see my progress. WHICH BY THE WAY, I APPRECIATE TO NO END THE AMOUT OF INTEREST THAT IS TAKEN IN MY PROGRESS! AND TO THAT I WANT TO SAY THANK YOU TO YOU ALL!! I LOVE YOU ALL SO MUCH!!

You are a great cheerleader to everyone else here on the site. It would be in my mind not right to cheer you on. Besides, you can do this. I know deep in my heart you can. Keep going. Also, and most important, just stay as positive as you can be.
