

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

You are a great cheerleader to everyone else here on the site.

Yeah - although picturing the old guy in IT's avatar with pom-poms is kinda creepy :D :D

Thank you for thinking of us, IT - we love watching you grow!

it, I thought about you today. One of my co workers was on her cell phone and said I am on this phone way to much. She then loked at the minutes she used so far for this month, She shouted I've got plenty of minute left. It is just like your posting amount. I know you have done many but have many more to share with us.

wonderful news my friend. Once you can isolate some of the problem it really helps. Keep up the great work. I am inspired by what you wrote because it shows that even after falls, you can rise again and go up and up.
