

I'm Trying!

Posted by imtrying25 - 14 Oct 2009 22:44

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk (email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

We're all undeserving, really - but you've done a lot to become at least somewhat deserving!

Hey IM25,

I'm actually finding the same thing myself, it's like my body is slowly thawing out after being frozen into one way by the YH!!!

Keep on fighting the good fight!!!

good work, IT25!!

at the begining we need some help by filters and similar means.

but as the time goes by those means are just in our mind and not being challenged

they do their job just by existing.

purim sameach my bro. love you so much. :-* :-*

Things are really starting to look good. Im noticeing more and more when my weak times are and im trying to respond appropriatly. I also notice that my down and weak times are very much concetrated and not very often. So imtrying to figure things out and get a better picture.
