i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

Bards, you have the right to remain confused.

If you chose NOT to remain confused, anything you understand can and WILL be used against you in the courtrooms of the minds.

You also have the right to be represented by Rage.

If you can not provide him yourself, Rage will be appointed for you anyway.

Do you understand these rights as they have been read before you?

(I don't know if you really wanna know. You Know?)
